Acute Limb Ischaemia

The National Confidential Enquiry into Patient Outcome and Death (NCEPOD) is collecting information at this hospital.

We are collecting information to see how care can be improved for patients who suffer an acute limb ischaemia, sometimes called ALI, which is a sudden blockage in an artery to an arm or leg, stopping the blood reaching it.

About NCEPOD

We are a charity who work to make healthcare services better for the people who use them.

We do this by collecting information from people who have used healthcare services.

Our work has led to lots of positive changes in how healthcare is provided.

How you can find out more

For more information please contact us by:

post: Ground Floor, Abbey House, 74-76 St John Street

Phone: 0207 251 9060

Email: ALI@ncepod.org.uk

Keeping your healthcare information safe

We may use some of your healthcare information in our work.

We will keep your healthcare information safe and private until we finish our work.

We will then delete your healthcare information.

If you do not want your healthcare information to be used, please tell us by:

Post: Ground Floor, Abbey House, 74-76 St John Street

Phone: 0207 251 9060

Email: mmason@ncepod.org.uk
