

NCEPOD Endometriosis survey

NCEPOD is a national organisation that uses data to help improve the quality of healthcare for future patients in the UK.

We are currently running a survey for patients with endometriosis to give their views on the care they have received.

Who can take part?

You can take part in this survey if you are 18 years old or over and have a diagnosis of (or are being investigated for) endometriosis.

This survey is anonymous, and your answers will be held confidentially and only be used for this study.

To access the survey please click [here](#) or use the QR code above.

To find out more about the study, please visit www.ncepod/endometriosis or email endometriosis@ncepod.org.uk
