

Patient and Public Involvement (PPI)

Share your perspective. Help improve healthcare.

NCEPOD is looking for people to join our Patient and Public Involvement (PPI) group.

By joining, you'll:

- Help improve healthcare for patients, families, and the public.
- Influence how NCEPOD's work is developed and communicated.
- Work alongside healthcare professionals and other members of the public.

We're looking for people who:

- Have **experience with healthcare** in the UK.
- Are **interested in improving healthcare**.
- Are able to contribute on an ongoing basis.

Involvement is flexible*, but may include:

- Co-producing and reviewing documents, reports, and recommendations.
- Attending quarterly PPI meetings.
- Attending meetings with healthcare professionals.

*There is no minimum time commitment - get involved as much or as little as you'd like.

Time Commitment Flexible. Choose opportunities that suit your interests and availability.

Location
Online via Microsoft Teams.

Payment
£28/hr for time spent on NCEPOD activities.
